

Going to *Nutcracker*

There are a lot of fun things to see at the ballet,
including dancers in costumes and beautiful
scenery.

First, we have to drive to the theater, park the car and walk over to the theater.

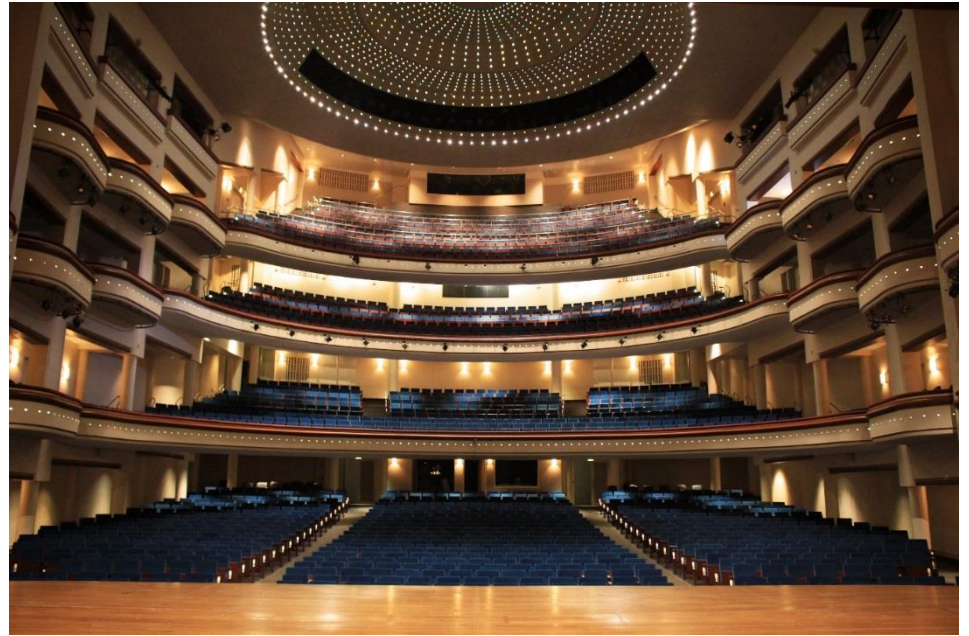

Everyone needs a ticket to enter. I may have to wait in line quietly to get my ticket.

Once inside the lobby, I can visit the *Nutcracker* Boutique

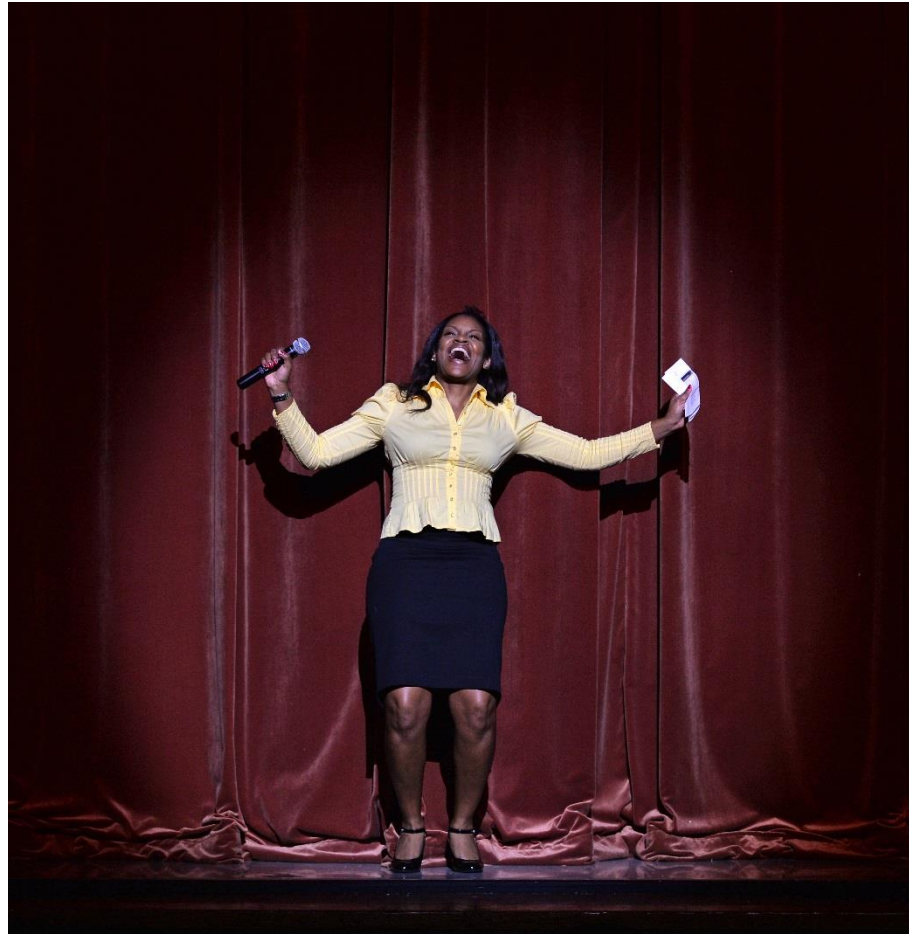

After I go through the lobby, an usher will help me find my seat in the theater.

I will sit down quietly in the theater and wait for the ballet to start.

Someone will come on stage before the show and
tell me about it.

Nutcracker is about Clara and Fritz's Christmas Eve.

I will see dancers dressed like animals, nutcrackers, and people.

There will be music and dancing during the show.

There might be a few loud noises and flashes of light during the show.

The lights will dim to let me know the show is about to start.

Act I

Clara and her family celebrates the holiday with a big party and her uncle gives her a nutcracker.

Act 1

Clara falls asleep and dreams of a beautiful
enchanted forest filled with snow

After Act 1 there is a break in the show called intermission.

I can use this time to go to the restroom and visit the boutique.

When they flash the lights, I have to go back to my seat for Act 2.

Act 2

Clara will visit the land of sweets and make new friends.

Act 2

She will visit friends from Spain.

Act 2

She will also visit friends from China.

Act 2

She will also get a visit from a dancing candy cane

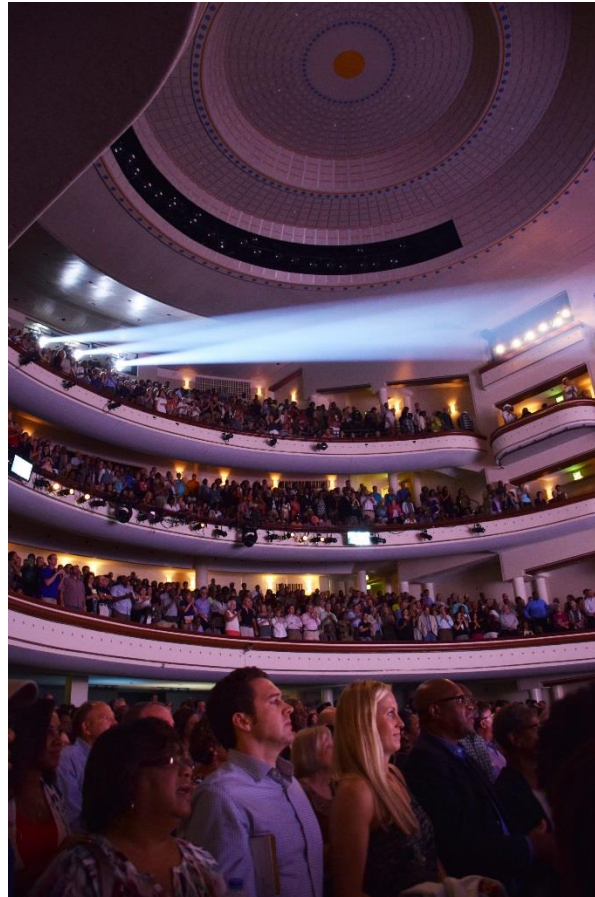

Act 2

The Sugar Plum Fairy dances for Clara, and bids farewell to her friends.

Once the show is over I will clap for the dancers.

When everyone claps it might be loud. But it won't last for too long.

After they bow, I will leave my seat and go back to the lobby.

I may have to wait my turn in line to leave.
