

Going to *Sleeping Beauty* -A Fairy Tailored Classic-

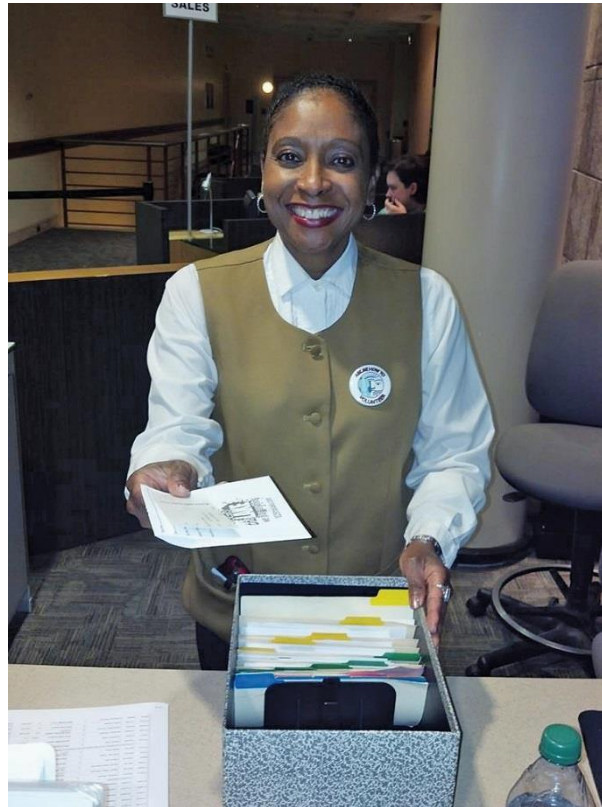

There are a lot of fun things to see at the ballet,
including dancers in costumes and beautiful
scenery.

First, we have to drive to the theater, park the car and walk over to the theater.

Everyone needs a ticket to enter. I may have to wait in line quietly to get my ticket.

After I go through the lobby, an usher will help me find my seat in the theater.

I will enter the theater and wait for the ballet to start.

The lights will dim a little to let me know the show is about to start.

Someone will come on stage before the show and tell me about it.

Sleeping Beauty is a classic tale of love through the ages.

I will see dancers dressed like a princess, fairies, and characters from other classic fairytales. The narrator will be on stage describing the action.

Act 1

We are introduced to the Kingdom and Princess Aurora.

After Act 1 there is a break in the show called intermission.

I can use this time to go to the restroom or visit the Sensory Touch Table.

When they flash the lights, I have to go back to my seat for Act 2.

Act 2

We meet the prince and he goes on a quest to rescue princess aurora.

Act 2

The prince and princess are married. We meet all their fairytale friends.

Once the show is over I will clap for the dancers.

When everyone claps it might be loud. But it won't last for too long.

After they bow, I will leave my seat and go back to the lobby.

I may have to wait my turn in line to leave.
