SENSORY FRIENDLY PERFORMANCES

Appropriate for children, families and adults with sensory sensitivities

December 13, 2023 at 6 PM

Belk Theater

Experience true wonder with your loved ones during the holiday season with our most beloved classic, *Nutcracker*! Glittering snowfall, jumping candy canes and the magnificent Land of Sweets – the holidays have never felt so magical.

May 8, 2024 at 11 AM

Knight Theater at Levine Center for the Arts

For the first time ever, Charlotte Ballet presents one of the world's most famous classical ballets that has transcended generations, *Swan Lake*. You won't want to miss the spectacular choreography by Ib Andersen, accompanied by Tchaikovsky's beautiful score.

WHAT MAKES THE PERFORMANCE SENSORY FRIENDLY?

- Abbreviated performance length and extended intermission
- House lights remain at half brightness and sound is controlled through recorded music
- Entry and exit to the theater is not restricted- you may come and go as you please
- Designated quiet areas are available
- Charlotte Ballet dancers, staff, ushers and volunteers receive training to ensure an excellent experience for your family

Act 1: 35 minutes

Intermission: 20 minutes

Act 2: 35 minutes
