CENTER FOR DANCE RENTAL PROCESS

- **Limited Availability:** The Charlotte Ballet Center for Dance is primarily used by a professional dance company and academy, external rentals are rare and subject to schedule compatibility.
- **The Center for Dance** is available to rent for performances, special events and meetings. Charlotte Ballet is unable to rent studios for private instruction or fee-for-service events outside of our Performance and Audition Rental Program.
- **Advance Booking:** Rental requests are typically processed within six months in advance to one month minimum.
- **Booking Procedure:**
 - A suitable date is identified at least 4 to 6 months in advance.
 - An estimate is provided for an exact date and time that is 4-6 months in advance.
 - A 50% deposit is required at the time of booking.
 - Upon deposit, a permit is issued, serving as a contract with rental details and initial cost.
- **Final Billing:** The estimate may change based on actual usage, such as extended staff hours.
- The attached questionnaire needs to be completed for an estimate.

CENTER FOR DANCE RENTAL PROCESS

Thank you so much for your interest in becoming a venue partner with Charlotte Ballet Center for Dance! We are happy to assist in planning your event and hope that by providing this information, we can help make the process as painless as possible. The more information you can provide about your event, the better we can make the experience for you and your guests.

- To decide which studio space to rent, consider how many patrons you expect and what dates you would like for your event.
- Consider setup, rehearsal, and load out time as well as what time performances will begin. Our theater is rented by the full day, but we will need your planned schedule and your required technical items (i.e. microphones, projectors, etc.) to estimate labor costs.
- Email aacedo@charlotteballet.org and ask for availability. Please see page 1 for rental rates. If your desired date is available, please fill out the pre-estimate questions. Please be as specific as possible in answering the pre-estimate questions. Once you have filled out the pre-estimate questions, we will place a hold and create an estimate for you.
- Our technical department will contact you for more information if needed. Please allow up to two weeks for the estimate to be completed. Our Director of Facilities will send you the estimate and can schedule a walkthrough of the venue.
- Once you have signed the estimate, we will book your event, at that time the 50% deposit is due. Deposit exceptions apply for ASC Venue Grant applicants.
- A member of our staff including the Production Manager will contact you to work out further details and get additional information about your event. Before your event, we **MUST** receive your insurance certificate at least 2 weeks in advance.
- Enjoy your event!
- On the next business day, you will receive a settlement that will show all the charges that your event actually incurred. We will send an invoice with your settlement.
